

# B-Yan

Belgian Young acousticians network

**Do you want to know what is going on in acoustics and related areas (e.g. audio, psychoacoustics, audiology, vibroacoustics...) in Belgium?**

The Belgian branch of the EAA Young Acousticians Network (B-Yan), in cooperation with the Belgian Acoustical Society (ABAV) and the ISMA committee ([International Conference on Noise and Vibration Engineering](#)), invites you for a technical networking session at **KU Leuven** on **Wednesday 21<sup>st</sup> September 2016 from 13:45 to 16:00**. Submissions are open to students and young professionals who work on acoustics or related areas.

We will have one minute speed presentations + posters. During this session, drinks will be offered to empower the friendly exchanges. Participation in the event is free of charge and open to all ISMA participants as well.

This event is organized as a special session of the ISMA 2016 conference. It is also comes one day before the annual ISMA (“Modal Analysis, Theory and Practice”) and ISAAC (“Advanced Techniques in Applied and Numerical Acoustics”) courses that are held on September 22-23, 2016. In light of this, attendees of the B-YAN event may also wish to attend the ISMA conference or either the ISMA or ISAAC course. More information, including registration costs, can be found at [www.isma-isaac.be](http://www.isma-isaac.be).

### **Details:**

If you want to present your work, please send the title and an abstract of approximately 200 words to [b-yan@abav.be](mailto:b-yan@abav.be) **before August 21<sup>st</sup>**. Notification of acceptance and further guidelines will be given by August 26<sup>th</sup>. Note that submissions are only open to students and young professionals (under age 40) who work on acoustics or related areas, and those based in Belgium and neighboring countries will have priority.

Authors will prepare and print a poster in A0 or A1 portrait format to present their work. Authors will have one minute in a plenary session to introduce the context of their poster while a projection of their poster is shown. To help the organizers coordinate all the posters, please send your final poster in pdf format to [b-yan@abav.be](mailto:b-yan@abav.be) before September 19<sup>th</sup>.

The event will take place on Wednesday 21<sup>st</sup> September from 13:45 to 16:00 in College De Valk (Tiensestraat 41, B-3000 Leuven), Room 8 of the ISMA 2016 conference.
